

ABOUT OUR MINISTRY

More on reading.....

While the Indian government has initiated programs like Pradhan Mantri Awas Yojana and the Smart Cities Mission to address these issues, the urgent needs of slum dwellers require more localized and customized support. NGOs play a crucial role in filling this gap by providing essential services like healthcare, education, vocational training, and sanitation, along with advocating for the rights of slum residents. Their presence is vital in ensuring sustainable development, empowering communities, and holding both the government and private sector accountable for improving the living conditions and securing affordable housing.

Moreover these precious souls are highly attracted towards drug addiction, depressions, suicidal attempts, child marriages and on, which eventually lead them to the fiery hell. COME (Christian Outreach for Mission & Evangelism), the Pioneering Missionary Movement operates all over India (Since June-1988) through drug rehabilitation programmes, Free Medical camps, Free Tuitions, Motivating kids to participate in

sports like Cricket & Ice breaking activities, Family Counselling Programs & One to One counselling. It saves multitudes from the gates of hell and to lead them towards the Light (Jesus) of God. The God being the Author of COME, bringing smiles to the millions of poor kids, transforming the deprived people into responsible citizens. COME is an extended arm of God to our Nation. It is a Charitable Trust registered with the Government of India.
